U.O.No.359/WAD-I dated 31st March 1944.

Returned with Compliments:-

The two xxxxx thirds share payable by the Mysore City Municipality towards the annual maintenance of Vani Vilas Water Works, Mysore, includes the Establishment, Travelling allowance and Contingent charges of the Superintendent, Vani Vilas Water Works, Mysore, besides the work outlay. In para 2 of their order No.P.W.1075-79 dated 4-8-43 Government conveyed approval to the works portion of the expenditure kept under objection being admitted in accounts. To

To this outlay incurred during the several years mentioned in the above order, the Establishment, Travelling allowance and Contingent charges of the Superintendent, Vani Vilas Water Works, have to be added as stated above and the ⅔ share payable arrived at. On the ⅔ share amount thus arrived at audit and direction charges at 7½% have to be calculated and also added.

2. The President seems to have based the claim for the refund of Rs.37,600/- on the ⅔ share of only the works portion of outlay mentioned in para 2 of the Government Order. Soon after the receipt of the President's letter No.M.6.193/43-44 dated 5-11-43, requesting this office to adjust the amount stated to have been paid by him in excess of the dues, the Sanitary Engineer was addressed ~~xx~~ in this office letter No.208/WAD-I dated 22-11-43 to furnish a statement of balances actually due by the Municipality after taking into consideration the instructions conveyed in G.O. cited above about T.A.Charges etc. A copy of this letter as well as a copy of subsequent reminder dated 21-3-44 was also sent to the President, for information. A reminder to the Sanitary Engineer has been sent again separately to expedite the reply. On receipt of the information the position will be reviewed to see whether any amount will be due to or recoverable from the Municipality.

			Te- Total	- 37,600.

4 Lacs. It is seen from the above statement that the total sum of Rs.37600/- is refundable to this Municipality, apart from the outlay on the maintenance of Gate Lodge Pumping Station and the pay of the watchman at Lalithadri in 1938-39 and 1939-40 for which the Sanitary Engineer has been asked to furnish the figures. I therefore request that the excess paid my may kindly be adjusted to the current year's dues.

Sir,

With reference to Government Order No.P.W.1075-79 dated the 4th August 1943 stating that separate proposals may be submitted for consideration in each case regarding reduction of establishment charges etc., I have the honour to state as follows

The Assistant Engineer in charge of Vani Vilas Water Works is being used as a District Officer in addition to his work connected with the city. Therefore, the Municipal Council request Government that only a portion of his pay may be charged to the Vani Vilas Water Works, the balance being met by the Sanitary Department. Perhaps 50% of his salary may be charged to the A.M. estimates of Vani Vilas Water Works. His having dual functions has been a great inconvenience and it is even desirable to have a separate officer for distribution and Jewell Filters only, the present Assistant Engineer being treated purely as a District Officer.

Similarly, regarding the levy of 5% on account of the Sanitary Engineer's establishment and 1½% on account of direction charges the Council respectfully represents that the charges in respect of Sanitary Engineer's establishment and direction charges may be reduced to 1% as the collection work is all attended to by the establishment paid for by the Municipality By this reduction, the Municipality would be benefitted to the extent of Rs.960/- on account of Sanitary Engineer's establishment and Rs.720/- on account of direction charges.

In the next place, the Council requests that the Establishment charges of collection of water revenue and pro rata charges on account of supervision on above, which is now paid for by the Municipality may be

7

included in the Annual Maintenance estimate, so that a apportion of this amount may be debited to General Revenues as in the case of other establishments attached to Belagola and Jewell Filter works. A copy of Council's Resolution No.518 dated 24-2-1942 in the matter is enclosed herewith for kind reference.

Concessions re. the expenditure incurred in connection with the maintenance of the Vani Vilas Water Works, Mysore.

SIR,

With reference to your letter No.L.8243 dated 9th February 1944 forwarding for opinion a copy of letter No.M4. 248/43 dated 19th December 1943 of the President, City Municipal Council, Mysore, on the above subject, I have the honour to state as follows.-

1. Salary of the Superintendent, Vani Vilas Water Works: The proposal of the Mysore City Municipal Council to charge only a portion of the salary of the Superintendent, Vani Vilas Water Works to the Annual Maintenance of Vani Vilas Water Works seems reasonable as the officer is not only in charge of the Water works but also of other water supply, sanitary and drainage works in Mysore and Mandya Districts. The suggestion of the Mysore Municipality to debit 50 per cent of the salary of the officer to the Annual Maintenance estimate may be accepted.

2. Levy of Direction and Audit charges:- Regarding the levy of Direction and Audit charges of 1½ and 1 per cent and levy of 5 per cent on the Sanitary Engineer's establishment (not 50 per cent as mentioned in the President's letter), it may be stated that the percentages being moderate, no consideration on this account appears necessary.

3. Establishment charges of collection of revenue and pro rata charges on account of supervision: The proposal of the Municipal Council to debit a portion of the charges to general revenues is not acceptable as this portion of the work does not form part of the maintenance of water works and is not a legitimate charge against the Annual Maintenance estimate.
